

Hamburg | Proximity to Public Parks

District area outside 500 m straight-line park buffers

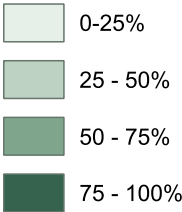

56.22%

of Hamburg's administrative area
lies outside 500 m park buffers

Area-based metric; includes land and water, not
population.

Area outside 500 m (%)

Data: Hamburg Transparenzportal Digitaler Grünplan / Kataster der öffentlichen Grünanlagen.

Method: 500 m straight-line buffers around mapped public parks. Percentages refer to district area, not population or walking distance.
